

How to buy?

We offer all types of falconry equipment and products from the Arabian / Middle East Region.

Currently we don't not sell retail but mainly wholesale. Our Falconry kit that we sell is mainly for evaluation purposes only. It gives you the opportunity to purchase a kit , evaluate the products and then place your order for larger quantities if your satisfied with our product quality.

Just send us an email to orders@arabianfalconry.com with the quantities you require and your delivery address and we will send you quick quote for your order, along with shipping cost within 24 hours of receiving your email.

We are working on an online shopping cart to directly take your wholesale orders but for now this is the procedure to order.
